“ Jack was like a father to me. He was the kindest and most honorable man that I know. It is a very sad day. He and Karen helped my mother leave an abusive biological father. He was there to keep us safe. He taught me how to be a man. How to love your enemies and your friends. I never saw Jack and did not get a big hug and his signature "I love you man". He meant it everytime, you felt it and saw it in his twinkling eyes. And I loved Jack back, very much so. I can't stop crying. We lost a treasure that cannot be replaced. I have no doubt that God is happy to have his good and faithful servant back I just wish that we could have been blessed with him for a little longer. Live every day as if it is your last tomorrow is not guaranteed.
