“ Wayne and Family,

Please accept the deepest condolences and sense of sorrow Liz and I feel at the loss of Jackie. Wayne, the fondest memory I have when thinking of the years we spent together was the deep love and sense of pride you expressed of your family. Words cannot express my fondness and respect I have for you because of this. I truly wish I could take this burden from you but also I feel a sense of comfort in knowing that your family members will support each other though this difficult time.

Praying for your comfort and strength.
