“ *Dearest Linda and Family*
Even though knowing ahead of time what was to come, you still find this so hard to except. I didn't know Billy but just knowing you gave me the closeness and love that you had for him. The days ahead will be hard but try to think of how Billy was and know that now he is no longer suffering. He is on another road now that has given him peace and comfort forever. My thoughts and prayers are with you and your family.
