“ This man is my brother that I never had by blood. I just found out tonight..6 days after the fact. Kuz..I know you are in heaven with our other brother Scotty Shelton waiting on me to join y'all. I will testify to this..they're has never been a kinder soul on earth than James Kevin Cousins. I know how much you believe in God and I'm positive you and Scotty are smiling down on Tonya and I at this very moment. I just want you to know how much I love you and miss you and Tonya feels the same way as I. You always could bring out that sense of humor that very few possessed. I will see you in due time along with Tonya. We'll be thinking about you everyday and of course missing you terribly.

You were one in a million
