“ Sharon and family: I am truly sorry about Jim's passing - he was a great family man and loved each of you dearly. I remember the excitement when Meagan and Melanie were born and I had the honor to help name your two little bundles of joy. May you find comfort in knowing that you have many friends who care and are praying that God's grace will sustain you in the days ahead. I send this with much love and heartfelt sympathy because I care for each of you.
