“ *My Cousin Jim was a kind and gentle soul. He remembered everything about the Eastwood family and always had a kind word(sometime a humorous comment also).
Many a great memories of our childhood but remember Jim most for work he did working with my father on the purebred Angus cattle operation.

“ It's hard to know where to start. We have shared good times and
bad times, but I choose to focus on the good times. Like the times
you would help me with my show cows , showed me how to work
with them and help me so much to get ready for the show day.
Helping me on flooring jobs you were truly a big help !!! We would
have a Lot of fun joking around just like the joke of riding a camel .
I'm going to miss you! “ Big Brother. Paul
