“ Mike,
I am so sorry for your loss. Ms. Hopson was one of the sweetest women I've ever known. My kids never went to visit my mom and dad without going over to visit her and of course on Halloween we'd always make a special trip over so she could see the kids in their costumes. She was such an angel and now she has her wings. We will miss her very much, but I'm sure she and mama are neighbors again watching down over us all. If you need anything please don't hesitate to let us know, we loved her like family!
