“ *Kathy,
Your Mom had an extraordinarily long and good life...much of it due to your loving care. I know how much you will miss her but both you and I can take heart in, and be thankful for how long we had our Moms.

“ *Kathy and Doug, I feel so blessed to have been able to sit with Janie several times the past couple of years. I loved sitting with her watching her birds. You both were so good to care for her and see to her every need. I miss our outings to different restaurants to have lunch with her girls. So many good memories she left us with, So thankful for them.*

Kathy and Doug I know you both are heart broken. But you both have been so loving and caring for your mom and that is why she lived to be a 102 years old. God has and will bless you for this.

“ *Kathy...I am so sorry to hear of your mothers passing. What wonderful memories I have of her and playing in her yard. Oh how she would make hot chocolate at Halloween for all of us kids. Oh and the trouble Marc and I got in when we tried to catch the goldfish with a stick and a safety pin on the end of it! She was so sweet and loving. I will be praying for peace and comfort to you during this time.*

“ *Kathy was my very best friend from the first grade and still is today. As kids we were always at each others houses and her mother "Mrs. Green" was just like family to me. She was a wonderful person. And Kathy was a wonderful daughter. May God bring peace to Kathy and Doug in this time of grief.*
