“ My heart and prayers goes out to Juanita, his precious girls, and family. As his dad (passed away before I was born), granny, his brothers and sisters went to their heavenly home one by one the family circle was broken. The circle is now complete. I can see granny's smiling face praising God for her answered prayers that her children would trust God as their Saviour and join her in heaven one day. I know that her prayer as well as uncle Jackie's would be that the rest of the family would be **SAVED** that they too can join them one day. My prayer is that God gives you comfort as you hold to those precious memories in the days to come. Hold to those precious promises reading God's Word as God has helped me in the loss of my mom, Rosemary June; which is also uncle Jackie's sister.

God's Blessings and Love to all of you,
