“ *"WHEN GOD CALLS LITTLE CHILDREN"*

*When God calls little children
to dwell with him above,
We mortals sometime question
the wisdom of his love
For no heartache compares with
the death of one small child
Who does so much to make our world,
seem wonderful and mild
Perhaps God tires of calling
the aged to his fold,
So He picks a rosebud,
before he can grow old.
God knows how much we need them,
and so he takes but a few
To make the land of Heaven
more beautiful to view.
Believing this is difficult still
somehow we must try,
The saddest word mankind knows will always be "Goodbye."
So when a little child departs
we who are left behind
Must realize God loves children,
Angels are hard to find*

“ *The broken cord*

*We little knew that morning that God
Was going to call your name.
In life we loved you dearly,
In death we do the same.
It broke our hearts to lose you,
You did not go alone;
For part of us went with you,
The day God called you home.
You left us peaceful memories,
Your love is still our guide;
And though we cannot see you,
You are always at our side.
Our family chain is broken,
And nothing seems the same;
But as God calls us, one by one,
The Chain will link again.*
