“ Jeanette, as children we were all at Granddaddy's and Grandma's a lot where we had to find things to entertain ourselves. We made a lot of playhouses, mud pies, and played games kids wouldn't even think about today. He even had us working at times but he always made it fun. The one game I remember we played and you ALWAYS won was jacks. Never did understand how you could be so fast!!! Glad you can spend Christmas with your love but you have left a lot of broken hearts here below. Celia
