“ *Jeanie was a very special person. Her premature birth was a miracle and each day of her life was a gift from God. I know I will see her again in heaven one day, since she knew and served Jesus. It was a pleasure and honor to be her dental hygienist and to help serve her dental needs and enjoy her beautiful smile up close. She truly could light up a room. My thoughts, love and prayers are with this beautiful, loving family during this tragic loss.*

“ My sisters and I first met Jeanie when we were only children. She was a close friend of our aunt and we immediately fell in love with her. She was without doubt the funniest person we knew. Knowing how much we loved her, Jeanie would send us a "funny word of the day" just to make us happy. She brought with her love and compassion everywhere she went and it wasn't hard to see. Years later I found myself working with her at Goodyear. The joy she brought to my heart as I looked up and instantly knew who was in front of me. My family will hold on to these memories and the love we have for her. She was like no other, her love could be seen a thousand different ways and we were honored to know her. Prayers for the family during this time of great sorrow and need. Until we see you again in heaven, we will all miss you deeply. Thank you for the joy you brought to our lives.

“ I want to send my heartfelt condolences to all of Jeanie's family , friends , and co workers. She was such a lovely christian lady she will be truly missed. I know that after such a horrible tragedy it hard to get a mindset as to where she is and who is there. The bible says to be absent from the body is to be present with the Lord and after our many talks and conversations she was so ready to meet her Jesus face to face. So when sadness comes don't dwell on those thoughts think of her walking on streets of gold and the mansion he has prepared for her. I'm sure as faithful and true as she was to Him he has prepared her a super mansion. Jeanie will be missed but in my memories I have great conversations that we had together and how she always lifted me with her christian love and concern for her fellow man.

I love you Jeanie and wait by the pearly gates for us!!!

“ To Jeanie's dear family: Jeanie graduated with my mother. I am praying that you may receive comfort in this very difficult time. I know there is nothing that I can say to take away the pain... Once some time has passed, perhaps you will find some comfort in this scripture: Job 14:14,15. It mentions that God longs for the time to come when he will bring the dead back to life. I too long for that day...

“ Our Sympathy goes out to all of Jeanie's family. We are so sorry to hear of this accident. We have fond memories of times with Jeanie and her family growing up at Glenwood Baptist Church. As we all grow older we all seem to get caught up in every day lives and don't get to see or visit people the way we would like to. Sometimes we often move away from our home towns. Jeanie was always smiling and a friend to everyone. We are so very sorry. Our love goes out to Jeanie's family and her friends. I know she will be missed greatly.

Jimmy & Frances, what can I say? Jeanie was a good friend at Dan River HS and Glenwood Memorial. Someone I could share thoughts with. Someone who was fun to be around. I will miss her, regardless of time and distance, she was someone who always had and will have a place in my heart.

I met Jeanie and her friends at DCC in 1977. We instantly became friends. Our little group spent hours together over the next two years watching Saturday Night Live, going to church, seeing movies, clubbing - everything. I will always remember that she was always clowning around and always had that smile on her face. My thoughts and prayers are with her family.

The death of the cocoon is the beginning of life for the butterfly, as now the death of Jeanie is the beginning of her eternal life in Heaven, where her earthly Father and the greatest of all, her Heavenly Father took her by the hand thru the valley of the shadow of death into that glorious land where milk and honey flows. No words will ever suffice at a time such as this, but His love and strength carry us all through this tragic loss, for her family and associates at Good Year. Frances, Jimmy, Melanie and Jimmy Jr., and extended family and friends, you are all in our prayers as well as in my church family's prayers at this time.
