“ To the friends & family of Jeffery Bessette,

*In 2003, I taught a computer course at Alamance Community College, and Jeff was in it. He was a lively presence and I enjoyed teaching him and having him in the classroom. He was an excellent student. I knew he was not well, and I have prayed for him, and recently found that he had passed on, and want to offer my sympathy. You all are in my thoughts and prayers.*

*Sincerely,  
Mike Wilder*
