“ Jeff was a kind and gentle spirit. For 20, plus years,I purchased auto parts from Jeff, while he worked at various locations, of the, Woodall organization.
He was very knowledgeable and eager to help, always.
I will miss seeing him at his, counter, at Woodall Automotive. I thank, God, for the privilege and honor, to have known Jeff for so many years. He is home, now, and we, left behind, celebrate his life. With the help of, Jesus, we shall meet again, one day! God bless, to all the family members. May the Comforter ease your aching hearts.

“ Dear Dianne, & family, I am so sorry about Jeff. We just don't understand these things. I know it is hard to give him up but so much harder to see him suffer like he has. I know Wendy has been very upset about him too. I pray God will give each of you comfort and peace as you begin to try and pick up the pieces. We will see him again along beside Jesus, so all is not lost. I love you all.

“ I didn't know Jeff personally but I met his mom and my good friend Wendy, told me about his struggle with his illness. I know he was loved by many and was held up with many prayers from others like myself that didn't know him. As sad as this disease can be, it's good to know he is in a better place and is no longer in pain. My prayers continue for his family and friends.

“ I am a family friend of the Hylers. I had the honor, privelege, and absolute blessing to meet Jeff before he passed, and it was plain to see what an amazing person he was. He had a love for the Lord that could not be put into words, and such a sweet demeanor about him. We all hated to see him go, but God needs his special angels by his side.

RIP Jeff, I am so blessed to have met you and that I was able to call you friend.
