“ To the family,

*I was shocked and deeply saddened when I heard the news of Jerald's passing.*

*Jerald and I used to spend time talking about life, family and friends, travel and his sometimes crazy adventures; and, our mutual love of The Eagles' and Don Henley's music. We shared a very special friendship and I will miss him dearly.*

*My sincerest sympathy, thoughts & prayers are with all of you during this time of loss.*
