Sad to hear of Jerry's passing, he was a great painter and son for his mother and father. Glad to have attended church with his family and his father's stories with painting pictures. Praying for his family.

*I am truly saddened by the passing of Jerry. He has been a large part of my family for almost 40 years. He was a true friend to my sister, Amanda. He supported her for many years as she has gone thru her own battle with crohn's. He was a true friend and I will always be grateful to him for that friendship and also the friendship and compassion he showed for the rest of my family. As a friend to my late husband, Cherokee, he painted many signs for Cherokee's Excavating and also a demolition car for my family. He did some beautiful and meaningful paintings for my sister, he lead my mom's funeral procession on his motorcycle and much more. He was a staple in our lives and he will be truly missed. Love You Jerry and will miss you.
