“ Donna and Family,  
So sorry about Jimmy's passing. For years he was the smiling face at the door that greeted everyone at the Hylton Reunion. On the way home after every reunion my mother would always comment on that. She always looked forward to that day when she could see Jimmy and all her family at there. We all will miss him very much. May God comfort you and your family in the coming days and always. We love you all!

God Bless
