“ Dee Dee and family:
I extend my deepest sympathy to each of you in the loss of Jimmy. My youngest grandsons who live in Austin, Texas always ask for "farmer Jim's sausage" when they come for a visit. Jimmy was quite a guy !

May God give you the strength to grieve and heal in the days to come. I know what you are going through at this time.

Love,
Judy

“ *I grew up with Jimmy's sister Bonnie, first time I met Jimmy was when Bonnie had a birthday party at his house. He was a good friend and would help anyone that needed him. I think the most memorable time was when he was driving a fire truck loaded with water and I was along,(we were hauling freight too) and we got to the end of a road and he slid the truck sideways to stop it and got wet from the water coming out of the tank. I know a few more stories that are very special to me. He was a special person.*

Jimmy and I use to race up the old Mount Cross road about every Saturday night. I would be driving my Father's Chevy pickup and he would be driving his father's 1954 Plymouth. Kids will play !
