Prayers for comfort. Condolences and thoughts for my extended family. Uncle Wallace will definitely be missed, like my cousin Sherry stated. I to miss the smile, laugh, and the stories he told us. I know he had so much love to give and he showed it. We all know you did so much as a caregiver for both of your parents. I thank God that were there for both of them. He definitely now has a Glorified body and with Our Lord. He as well as your mom will always have a special place in your heart. As a fellow veteran I " Salute" Uncle Wallace for his life served (civilian and navy.) Sharing God s Great Love and Comfort to all of the family. Love you cuz, Walt Barker. (Marie s son)

Uncle Wallace will be sorely missed by his family. I always appreciated his visits to my mother and father. I wish I had been able to hear more of his family stories. He had such a wonderful memory of them. Patricia, you were such a good caregiver and I believe his life was prolonged because of the care you gave him. He is with Aunt Caroline now, and the love they shared lives on.

I will miss my dear brother. Miss his weekly telephone calls to me. Sometimes he had to leave messages as I would not be in house. He would always say hello in that long southern drawl. I am so glad I had a chance to visit him in MAY. And spoke to him just before he passed away. His voice was so weak. I got to tell him one more time that I loved him. Patricia you were a wonderful daughter and caretaker for both of your parents. Thank you and Jackie. Love you. from Wallace's younger sister Dean.
