Timmy. this is for you and to mike jackie daddy wanda john everyone. wake up to sunny day not a cloud up in the sky then it starts to rain my defenses hit the ground and they shatter all around so open and expose i found strength in the struggle face to face with my trouble when you're broken in a million little pieces and you're trying but you can't hold anymore every tear falls down for a reason don't stop believing in yourself when you're broken. little girl don't be so blue i know what you're going through don't let it beat you up, heaven knows that getting scars only makes who you are only makes who you are. no matter how much your heart is aching there is beauty in the breaking yeah. when you're broken in a million little pieces and you're trying but you can't hold on anymore every tear falls down for a reason don't stop believing in yourself when you're broken better days are gonna find you once again every piece will find its place when you're broken every tear falls down for a reason don't stop believing in yourself..... this is for you Timmy its a poem i wrote to you. from your one and only niece Cindy Dillard Jordan. R.I.P. i love you timmy we miss u so much. 12/31.2015
