“ Dear Nancy and family: It was always my pleasure to have John join us on the golf course in these last few years to play a few holes. He loved golf and loved being with golf friends. He was a diligent Optimist Club salesperson to support the Club's Fall/Winter nut sales. We will miss him in so many ways. Please know that our thoughts and prayers are sent your way. Blessings!

“ *Eagle Family,*

I am sorry to here of the passing of John. I knew John through his work for FSA premeasuring tobacco and I also knew him through his work with the Boy Scouts. I always looked forward to the spring when I walked and talked with John measuring the feilds. I was a young man then and he had a desire to help young and old alike. I was blessed to know John. No words can exspress your sorrow. But I know that John is with God and you will see Him again. May God give you comfort.
