“ *Nell and family,*

So sorry to hear the passing of John. Nell, you and John always made the effort to come to every get together that we were having for Mama in her later years. She valued the relationship and talked about you all often. She was grateful for that relationship that she had with all of Uncle Ernest's children and family. I am thankful for that. I know they are celebrating in Heaven today. I know you all will miss him very much but God will be with you in the coming days and always until you see him again. We love you!

God Bless
