I always would get in trouble either you telling on me or fighting to protect you. You are the middle boy too us & it's going to take a life time too deal with the loss, but I know the memories of & with you will eventually get us through. Always love & miss you bro. RIP Jay bird*

“ I'll always remember your friendship with me and my girls, your sweetness, kindness, laughter and silliness. The sparkle in your eyes, lively and full of joy. I will think of you when the snow flakes fallall, dancing with the wind, when moon beams shine through dark cloudy night sky, the rays of sunshine piercing through puffy clouds descending from Heaven, letting us know your checking up on us. Hugs to Heaven.
