“ I am saddened by this loss. Even though time and distance and life has kept me busy with our own families I have thought about these Oakes brothers and sisters many times. After all I'm and Oakes boy myself, the youngest son of J. P. Oakes, who was JH's brother. All the boys, JH non the less always with a pleasant smile for me. There is coming a day soon and very soon were there will be a reunion like this world has never seen. Let's make sure we're ready for it... I am and can't wait!
