I'm so saddened by the news of a dear friend passing. John was a good man. I worked with him for many years and got the chance to talk with him and I can say he was a believer in Jesus Christ and I know he struggled with many things he knew the truth of the gospel of Jesus Christ. I will miss him and pray his family is comforted in knowing he is with God. John was my friend my coworker and at times felt like family. Thank you John for being part of my life. God bless
