“ Jack-a-roo, you will never be forgotten! You taught me so much. Every time I see a mary jane I will think of you and know how you always say "THE BEST I HAVE EVER HAD IF IT WAS ANY BETTER THAN THIS I COULDN'T TAKE IT." You never complained about anything and never said anything about people even those they did you wrong. I will always hear you say It's" date night" on every Friday! My time with you will never leave me. We had our little secrets and they will never be told. Our lunch dates when I got paid was such great times! You taught Jennifer a lot of things and you was her PAPA and you never missed anything that she did, dancing, field trips ,graduating from high school, nursing school, and her wedding were you walked her down with her Dad. I will miss my morning phone call from you, we have been doing this for so long it will be hard but I know you are in a better place and you will be watching over me and reminding me "IT'S DATE NIGHT" You can have a great birthday with Jesus and the rest of the family! HAPPY BIRTHDAY PAPA JACK ! YOU WILL ALWAYS BE REMEMBERED!

“ A true friend and Comrade. I thought I was Patriotic until I met John D. Sullivan. He set the example for all of us. John will be missed by all who had he pleasure and honor of knowing him, especially his comrades at the post.

The sound of the honor guard firing His final salute and his watch on the wall ending with the playing of Taps today, will signal the end of His service to this country he loved so much and served so well. Now, rest in the eternal peace you longed for and enjoy the Liberty you deserve.

*Fraternally, your fellow Comrade and Friend,
Dave Newman*
