“ I was sorry to learn of Joni's passing. I worked with her in the late '70s. She had such an innate sense of style, and great sense of humor. Just a really sweet girl. My condolences to her family and friends.

“ I'm thankful for the memories of our younger years. You always had so much joy and kindness. Even when your mom caught us smoking Tareytons in the shed, you were laughing and I was terrified. Barbara was awesome too.

It was so great to see you again recently and get to hear your voice and your laughter. I will always smile when I think of you. 💜
