“ *We are so sorry for the loss of sweet Jordan. We pray the Lord carries you through this storm as we realize God wanted him more. They are lent to us often for such a short time & we're never ready to give them up as we are conditioned to think that as parents that we would go first. We love you all & our hearts share in your pain still knowing that our Savior has our back, knows best, & helps us grow to higher plains through our hurt and pain. We love you Brian, Amber, Kathy, and family & offer our help in anyway we can. Love J.D. & Susan Emerson*

“ *Lee, Suzan, Barry, and Carol,
Please accept our deepest sympathy over the loss of your precious son and grandson, Jordan. I can remember seeing him as a baby at Gladys' apartment and then poring over such sweet photographs of him in Gladys' photo albums. He was one of the greatest joys for the Hudgins family. My sisters and I will be lifting your family up in prayer.*

“ I love you more than I could ever say. I know you accepted Christ as your savior a few months ago. I know you are now surrounded by love we cannot begin to comprehend on Earth; however my heart is broken. I hurt beyond description. There is a huge hole in my heart and my life will never be the same. I will talk to you through God because I can never talk to you in person again. I can never hug you. I can't walk with you on the river trail. We can't discuss the plot twists in *Breaking Bad* or go to a movie together. I will never see you have a family or get to be a grandpa with your kids. You were more special than you knew and I will miss you always. I could write paragraphs but these are just a few thoughts.

I love you

Dad
