“ I will miss Joyce so very much. She and I were cousins and spent a lot of time together, primarily shopping, eating and telling stories about our husbands! She was definitely funny and always had a story. She was always concerned for her family; dedicated to her two children. She was especially sweet to my grandson Nolan. Pee Wee, my thoughts are with you and the rest of your family. She was in a class all her own 🥺

“ Joyce was one of the first in the neighborhood to welcome us when we moved here. She brought a jar of honey and came over to meet us. My daughter Calee always enjoyed waving and talking to her. Calee and her both would go to the book mobile once a month often at the same time. She was always a hoot to talk to because she was so down to earth and told it like it was...she was such a joyful and kind lady. We will miss her dearly 💔 Prayers to Pee Wee and family, she often talked about her family with joy and we know she will be dearly missed.

“ I'm so sorry for your loss. Holidays will never be the same and much much quieter now. And who will John talk to now. He's been telling stories he heard from her all day. She would enjoy that. I can almost hear her laugh.
