“ I share in your grief, as I loved Nanny very much, and she loved me like one of her own. I take comfort in knowing that Nanny is now reunited with her beloved "Snooky," and Macy, both of whom she missed very much. My heart is with you all today, and in the days to come.

“ My heart goes out to the family. There are no words to express how great she was. The first time DJ brought me over she was kind and welcoming. I remember attending events and helping her at the VFW. She had a lot of love and wisdom in her and she always gave it freely. She treated everyone as a friend.
