“ Joe, I was so sorry to hear of June's passing. She was a "fun mom", a talented organist, and a kind, compassionate nurse. When my mother called her to check on a nearby injured child, she came right over. I can still see her sitting on our porch in her white, professional attire while she tended him. She was certainly a friend to our family, and I know you have so many great memories. Know that I am thinking of you.

“ Got to know sweet June at Brookdale when I visited my sister there.....she absolutely adored my little dog and always held him and loved on him and talked about how she missed her little "Cuddles". Heaven is surely blessed to have her. <3
