“ My Aunt Karen was one of the brightest stars of this family. She was the most compassionate lady and always putting others before herself. Her sense of humor, love and kindness filled a room. She is with her Momma now and they are watching over our entire family. I know she will be a light in heaven as she was here on earth. I dearly loved her and will miss her until the end of time. She fought her illness with courage, strength and faith. Always a smile...Her family dearly loved her and will forever hold her in their hearts...always and forever....Later Aunt Karen....Love You Dee....
