“ *My thoughts and prayers. I had the privilege of knowing her through transports I was honored to have taken her to berry hill. I prayed with her the ride and she was always in my thoughts. Her last words to me was I'll never forget you and I will never forget her. I'm so sorry I am just finding out. Prayers*

“ *Thank you for creating this tribute wall for my favorite aunt, Aunt Wylene. I'm out in California, and am sorry to have missed the funeral today. Aunt Wylene is so often in my thoughts, all these years, and in my heart; and she has especially been so these past few days and today....*

*She was so kind to me as a child, as a troublesome teenager, and as an adult whenever I was able to return to Danville and visit. I loved my visits with Aunt Wylene all throughout my life. She always had her adorable, lovely smile to greet me and always made me feel loved and welcomed. In the mid to late 70s when I would regularly go to her house right after school was out, she must have been in much pain, but I never knew about it from her. She was always thinking of me and all us kids' welfare as we played and were focused on our own selves.*

*One of my favorite memories is of the three wonderful weeks I stayed with Granny and Aunt Wylene in that little house, during my trip back east from California. We had SO much fun and so many laughs together. I treasure my memories of Aunt Wylene, and she will always, always be in my heart.*
