“ I remember the first day I meet you sitting in the kitchen and I see a big dog come in the house and Kristie and you are crying laughing and I'm yelling for you both to get the dog away from me. We had alot of talks, laughs and cries at that kitchen table. You welcomed me from the first time you saw me and your love never changed. You will truly be missed love you mama

“ Momma I will miss and love you everyday!! You were a woman of strong faith and loved her family, friends and children more than anything. I took her to the beach about 4-5 years ago and she laid out like when we were kids I will always remember those days
