“ Dear Clay, I don't know if you remember me from so many years ago, I live in Kansas now, but I just happened to be looking through the Danville Register online site and saw the picture of your wife, Kathy, and thought she looked familiar. When I saw your name listed as her husband, I definitely remembered Clay Bayes from my earliest years in Danville at Cedarbrook School and after. Please accept my condolences on your loss, may God in all His goodness and mercy bring you peace and comfort at this time. Sending prayers that your loved one be in His loving presence forever.
