“ I just learned of Kathy's passing. She was one of my high school students and was editor of the high school newspaper of which I was the sponsor. We kept up with each other through occasional cards and visits. What a wonderful, kind soul! RIP my friend; we will meet again. Sincerely,

“ Kathy (and Earl) were a fantastic couple. I was so lucky to call them friends, having met them during their time in Roanoke. Kathy was so talented, creative, gifted, and visionary. When they left for Danville I and so many others were crestfallen. I was so happy to have reconnected with Kathy recently. I regret not having gone to see her. We have lost a wonderful human. Peace and love to her family.
