

Kathy Smith Thomas

February 18, 1954 - February 15, 2016

Kathy Smith Thomas was called to her Heavenly Home on Monday, February 15, 2016, after a decline in health since April 2011.

She was born on February 18, 1954 in Danville, VA to her late parents, W.H. Smith, Jr. and Page Nichols Smith. Kathy graduated from George Washington High School and later enrolled at Danville Community College where she met her husband, Butch. They were married on June 30, 1973 and he survives of the home.

She first worked for the J. W. Mayhew, DDS. After seven years, she was employed by the local cable system and retired after 32 years of employment from Comcast. She was a lifelong member of North Main Baptist Church.

Kathy is survived by two children, Kristen, of Roanoke, VA and Brett, of Blairs, VA. She also leaves behind two brothers Chip (Barbara) of Lillington, NC and Gary of Durham, NC; her Aunt Peggy; her brother-in-law, Randy Thomas (Tonda), Pamela Baggerly, Sheila T. Watkins(Dennis) of Lake Norman, as well as numerous cousins. She was so proud of her children and cherished every minute with them on the baseball field, soccer field or watching Kristen dance. Also surviving is a special member of our family, Heather Meyer. Her loving companions, Alf and Marley will miss their mama's lap and love.

The family would like to offer a sincere appreciation to family and friends, who have been so supportive during her and Butch's illness. You will all be blessed for your kindness.

In addition to being predeceased by her parents, maternal and paternal grandparents, she lost a nephew, Seldon R. Thomas.

A memorial service will be held on Friday, February 19, 2016 at 2:00 PM at North Main Baptist Church conducted by the Reverend Fred Unger. A private interment will follow in Mountain View Cemetery. The family will receive friends at the residence, 2860 Blairmont Drive.

Kathy requests for all donations or memorials to be sent to North Main Baptist Church. The church was such a blessing and offered the family so much help.

Wrenn-Yeatts Westover Chapel is serving the Thomas family.

“ *We were so sorry to hear of the death of Kathy. We had not heard that she was sick. Kathy was a wonderful person and greatly respected by all who knew her. She had a humble, caring heart. Our greatest memories of her is when our son, Zach, played Little League Baseball. Butch and Kathy were always so supportive and were the best coaches a league could have. Even though Butch was the head coach, Kathy stood right by his side to support the team. Their advice not only was for the team, but advice and words of wisdom that would carry on through the years. Kathy will be sadly missed by all who knew her, but her humble spirit will be a legacy to others.*

*Sincerely,
The Reed Family

“ It is with deep regret that I shall be unable to be in Danville for my sister's memorial service on February 19, 2016. Since having learned of Kathy's untimely death on February 15, I have been unable adequately to articulate my sorrow to the members of my immediate family, though I trust Butch, Kristen, and Mr. B. know that my grief has been -- and is -- nearly overwhelming. I bear the singular distinction of everyone remaining in my family of having known Kathy from the time of her birth in 1954. The condolences of so many people who knew her along the way have so beautifully expressed many of my own sentiments, and I am confident that she has been deeply flattered by the wonderful things so many have said about her. My own grief is assuaged by the sure knowledge that she is not dead, but that in fact she is yet very much alive and experiencing the ineffable joy many of us have never known. At the instant of her physical death, she went from having the consciousness of a gnat to attaining the consciousness of the entire universe, where at last everything is known and understood to her.

While it is difficult especially for her family during these initial days of being without her, I take great solace in the sure knowledge that although death is such a strange contradiction to life, as those of us left behind know it, Kathy will always live in our memories as vividly as though she were still before our eyes, for to live always in the hearts and minds of those who love us is never to die. And drawing upon my love and lifelong commitment to music, I know she is happy, having heard the signal of her release in the bells of the Holy City, the chimes of eternal peace.

"Good night, Sweet [Princess]; and flights of angels wing thee to thy rest."

“ It is hard to find words to convey how heavy my heart is to hear of Kathy's passing. She was a wonderful warm person. A joy to know. Even though she worked in Danville and I worked in Staunton we formed a close bond and friendship over the years. No matter how busy she was she always had time for a question or sometimes just a talk-and sometimes we needed those peep talks. Heart felt sympathy goes out to Butch and her family-who through her I felt like I knew. May God be with each of you doing this very difficult and heartbreaking time. I hope you all can find peace in your faith and know you will see her again in heaven.

“ I knew Kathy for many many years, meeting her for the first time in our teenage years when I was dating her brother Chip. I knew then that she was a very special person. Many years down the road, Butched coached my son, Tabor in baseball for several years. It was then that Kathy and I rekindled the friendship that was put on hold for a while as we grew up and life took us down different paths.

Kathy had such a warm and caring countenance about her. She was fun and spirited and had the most contagious laugh. Being in her presence was always a treat.

 Kathy, I love you, Honey and I will look forward to seeing you again. 

My heart is full of love and prayers for the Smith and Thomas families. May all of you feel GOD's presence and love as you look to HIM for strength and comfort in the days to come. Hold on tight to each other for Kathy loved you all so very very much!
