I met Kay at Holmes Bible College in the early 70's. She was my roommate. She was a force to be reckoned with because she loved life. She was mischievous, funny, spontaneous and full of energy. Life was unpredictable when Kay was involved. We became friends immediately and this friendship has lasted and grown during the past 49 to 50 years. Not only was she my best friend/sister, 24 years ago she became, not only, my best friend but my sister-in-law as well. My brother loved her very much and his loss in October and now her loss has been very difficult for both of our families. They are both now healed and with the Lord and our loved ones that have gone before them. Kay, will forever, be missed!❤️❤️❤️❤️❤️
