“ So very sad to hear this news, God had plans for this dear sweet friend to so many people. Kelly always greeted me with a huge warm smile when I entered the bank and any other place I saw her. She helped me through some tough times talking out things and similar experiences. I will never forget her eagerness to help others and the beautiful smile she has. It will be hard to enter that bank now with he not there. I will miss you girl, praying for your family and friends that God will give them comfort and grace to sustain them through this transition time. One day we will all meet again.<http://storage.lifetributes.com/Candles/new/candle-1.png>

“ Jimmy and family, I am so sorry to hear about Kelly. She became more to me than a person that worked in Carter Bank, she was my friend. Kelly was a type of person that once you came in contact with her, you always wanted to be around her. I will miss her smile when I walk into Carter Bank, but I know now that she is in Bikers Heaven helping and giving advice to everyone that she has come in contact with. My heart is heavy with the family, but I will keep the family in my prayers and thoughts. May God be with you and keep you.
