“ Not sure his sons, my cousins, remember me or not but, I used to come and babysit many years ago when he was married to my Aunt Elaine and often thought of him and wondered where he was and how they were doing. I am so very sorry for your loss and only wish I could have found you all before he passed. May God keep you surrounded with comfort in knowing Kenny is in Heaven watching over you. Love to my family even if you don't remember me.
