“ *My deepest sympathy goes out to Larry's family. Larry was loved like family and I am going to miss deeply. We shared sorrows and laughs throughout the years. You could not ask for a better colleague who was always willing to help when needed or just listen if you needed to talk. Heaven gained a true angel from earth. Fly high my friend!*

“ Larry was a very dear friend and colleague at Southern for many years. He was kind, gentle, quick witted and an "expert" at anything technical or computer-related. We benefited from his creative solutions over the years greatly as his ideas enhanced many facets of our daily lives. He will be greatly missed by all of us!! Our loss, Heaven's Gain.
