“ Jack was one of the first people I met when I came to Yanceyville. I had my body shop across the street from his home. He and his wife Shirley took me in as a good friend. I shared meals, great visits with the family members and a lot of fond memories were made there. Jack would do anything for you if he liked you. The Arnold's were my, adopted, family for a couple of years while I become established. You cannot put a price on kindness and friendship and that was exactly what was given to me. Thank you, Jack, Shirley, L.B; and Wayne for all the great memories I carry with me today.
