“Dusty and family, I am so sad to hear about Linda. My husband, Danny, and I worked with her at the Multiply Corp back when you were very young and living on Elizabeth St in Danville. We used to come to your house to visit. Linda loved you so very much and was always proud of you. We lost contact after moving away from the area for 40 years but, I did find her and spoke with her on the phone about 4 years ago. I was hoping to be able to come see her but, things didn't work out at the time. I remember she and I playing jokes on an older man where we worked and it drove him crazy but, she and I got a kick out of it. My thoughts and prayers are with you all and may God give you comfort in knowing she is with Him and watching over her family until you meet again.

So Sorry to hear of the passing of Linda. As difficult as it is to let go, we know she is resting comfortably now. *I am sorry to hear about Linda, she was a very sweet and beautiful lady. I had not seen her in a long while but have thought of her from time to time. I remember when we were growing up that she could say the funniest things. Linda had the biggest smile on her face all the time, and really kept us laughing. Once we had a pajama party and I will never forget that night, what fun we had. Those were such fond memories. When her eyesight had gotten pretty bad, I saw her one day and she could not see me very well, but when I spoke she knew who I was. What a vibrant and loving mother and grandmother she was. I know that she loved Johnny, Dusty and her entire family. Hold her memories close to your heart and think of them often as they will comfort you in the days ahead. Blessed are those who mourn, as they will be comforted,*
