“ J.D., I'm thankful for the insurance payment I make twice a year to remind me of you. I trust you remember us from New Covenant days. Know that you are supported by prayers from Japan. Cathy's been to heaven and come back, so I know that Linda is in far better circumstances than we can even imagine. It's you I'm praying for! Praise God that the Holy Spirit is indeed the Comforter. May He fill you and surround you so that you feel the Father's arms close around you, giving you peace, and yes, joy. Our Lord is faithful!

“ JD & Lisa,
Our love reaches out over the miles and years to you at this time. You are all very dear to our hearts. Linda was such an encouragement to me when we were living in that area, praying with me and for me at Aglow and at New Covenant. I know that goes way back (34 years), but y'all's kindness and encouragement and prayers for us have NEVER been forgotten. We thank God for allowing you to be a part of our lives and look forward to seeing you, and Linda and Laura, again some day when we all get to heaven. All the tears will be wiped away and all the questions will be answered, and we will praise Jesus again together!! May God surround you with His comfort and love as you face the days ahead.

“ Uncle JD,
I remember when I was a small child, I thought Aunt Linda was the most beautiful woman I had ever seen...she reminded me of Elizabeth Taylor. I always wanted to change my name from Brenda to Linda!!! She was just as beautiful on the inside as she was on the outside! My love goes to you and the children! I am sorry she has left us but glad she is now at peace.

*Love,
Brenda*

Linda, as you rest in the arms of Jesus and are reunited with loved ones gone before, I hope you know how much you were loved and admired. Your strength and fortitude in the face of adversity will always remain an inspiration to me. Thanks for being so kind and loving and for sharing your beautiful poetry with me. I will treasure it always. JD...we are praying for you and we are trusting God to be your strength and courage in the days ahead.
