*Such a sweet lady and always praying for others. She definitely took a little piece of my heart. She gave me a little angel a few weeks ago, ironically now she's an angel watching over me and my mom. Prayers for peace and comfort to Mr. Roberts and your family. 💜*

“ *I know you said " I am done and that you were okay with it" but I am not okay with it, you were my sister and friend, and your presents will be greatly missed. I will do what you did... always looking for God's work in someone who needs you, I will. Lost words... Linda, you can be with the baby you lost now, that comforts me a little ( Yes, I know she can't hear me but I had to include it, your child will be there and all your family before you). "We Will Live Together Forever With Jesus " If there ever were any words to show someone's feelings... Love you would be said " In Christ " and I'll see you soon and even if by a string, I will hold on!! You were truly unique and true to your purpose, as a pilgrim on Earth following Jesus and keeping the Faith! (1 Peter 2:11; Hebrews 11:13).*

*Your Sister in Christ...*

“ *Linda was a caring, giving person. Her smile was contagious. She seem to always look for the best in anyone. We always knew when Linda was at church,you could hear her tambourine softly from the back of the church. And if you turned around at any given time you got a smile of kindness from her. Linda will be greatly missed an her seat will always be, "her seat".*
