“ I met Lois Powell 21 yrs ago & from the first time I met her- I loved her. From then untill now- she was my "Aunt Lois" & "Grandma Lois" to my children.

She was a best friend/sister to my mom & dad (Dr & Nellie Clack) & always a part of our family.

It wasn't Christmas or Birthdays without her being with us.

Today our hearts have a sadness & emptiness & our eyes hold the tears --- but I will always hold wonderful memories & love for this incredible woman.

I will never forget her laughter , her kindness , or the love she held for all of us & the way she made us feel when we were in her presence.

To her immediate family, I pray god wrap his arms around you & give you some comfort during this difficult time.
