“ I meet Lorri in 1987 when I became employed at Burlington Bag and Baggage. We had an instant connection and became friends and I look to her as my sister. In 1988 Lorri became like a God mother to my son Joshua. Just as she in later life had loved and cared for many foster children she was the same to my son. Lorri was one of kind friend. Friends for over 30 years i will miss our phone calls and sharing our lives. You may be not here but you will be in my heart forever!❤️
