“ Mama is not able to write or visit to share her love and memories of Hurrell, but I want you to know that mama loved her with all her heart. We'll forever remember mama's best friend and their loving friendship. The morning Hurrell passed away, mama said something woke her up about 2am. She didn't know what, but she just had a feeling she needed to get up. Later that day, we heard that Hurrell passed away around that same time. I'd like to think Hurrell was telling her goodbye.

She touched our family not only on the Williams side, but the Cole side as well. Hurrell was truly a child of the Lord and we were blessed to know her. May the Lord be with you all during this time to help you heal by remembering her love through all your memories.
