“ My awesome niece, Vickie,  
I had known your mama since I was a young girl & the one thing I remember the most was how hard she worked to provide for her family. I can remember that everywhere you seen Louise, you & Johnny were right there by her side. Louise was a laid back, easy-going soul that was a devoted & dedicated pillar in her community & an icon at her workplace. She was not a complainer; she took one day at a time & faced her challenges gracefully. She leaves behind an inspiring legacy. Thinking of you in sympathy as you celebrate a life that touched so many ❤️
