“ Aunt Vern, You were such an inspiration to me. You had such integrity and always told me how you were so grateful to the Lord for providing you with such a wonderful life. I loved listening to your words of wisdom and will forever treasure the phone calls we had. I will miss you terribly and will be thinking of you always.

Until we meet again at the `big reunion" rejoice in heaven and may your sweet soul rest in peace.

I Love You!

Your Great Niece, Michele Chestnut Fox
